

From the Editorial Board

The editors of the quarterly *Culture and Values* express their gratitude to all those who have reviewed the texts published in this issue. We would like to inform you that a personal list of the reviewers will be published in the last (December) issue of the periodical; it will include all those who have reviewed texts in 2014.

We invite all researchers who would like to deal with the problematic of our quarterly – both scholars and PhD students – to cooperate with us. We accept texts in Polish, English and German. The submission guidelines are available by clicking the appropriate bookmark on our website.

The forthcoming issue of *Culture and Values* will be dedicated to the current and historical theories of progress and crisis in culture and centred round the following topic: “From the Idea of Progress to the Idea of Crisis”. The issue will be published in August 2014.
